

2 Laura Street Stepney SA

3 1 2

Hidden behind autumnal trees and a rich cedar fence, this stunning near-city home has been beautifully rebuilt and extended by the current owners under the watchful eye and guidance of Troppo Architects.

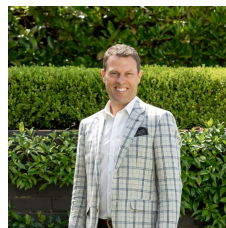

There are three generous bedrooms, a luxurious and spacious bathroom and a brilliant rear extension with sharp modern lines, polished concrete floors and an abundance of northern light.

This home will wow those looking for a sophisticated inner east lifestyle on the doorstep of the city and walking distance to all that this much-loved area has to offer.

Features include:

- Edgy elevated, open plan rear living with custom
