

224 Beulah Road Beulah Park SA

3 1 2

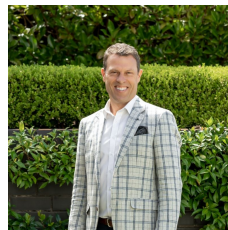

Sandstone fronted, stand-alone character cottage with multiple off-street parking to the front and rear.

If you've been looking for a cosy, character-laden cottage, with all the rustic charm of a French country house, then look no further.

The home's character elements, such as timber flooring, ceiling roses, pressed metal, open fireplace and arched central hall have been beautifully preserved, while the home's rear extension embraces the cottage charm with baltic pine clad walls and ceiling and stunning sliding glass doors which open to the magical garden.

The working cottage garden with its paved paths, fruit trees and vegetable/herb beds will draw you in and make you forget you're living in a near-city suburb.
