

24 Laura Street Stepney SA

3 2 4

History-laden bluestone character home with impressive solid brick garage in enviable near-city location.

Built in 1880, this beautifully preserved double-fronted cottage has a commanding street presence with its original bluestone walls and wrought iron detailing. Past the tessellated tiled verandah, you step into a home which offers original features such as 11 foot high ceilings, polished floorboards, open fireplaces, decorative cornices and ceiling roses.

This hidden gem incorporates unique pieces of South Australian history such as a leadlight windows sourced from the old Governor Hindmarsh Hotel, panelled ceiling timbers from the State Bank building and servery salvaged from a local primary school.

Building Size : 220 sqm
Land Size : 392 sqm
