Majestic decorative features include intricate ceiling roses, ornated ceilings, polished floorboards, arches, leadlight windows and open fireplaces. Splendidly proportioned with 3.4-metre-high ceilings and multiple generously sized rooms, the layout inspires various configuration options for family living, working, and entertaining. The palatial scaled sitting room is superbly oriented to embrace the lovely northern light and it can be used as a fabulous media room, generous living room, a fitted study or library.
