

5A Winchester Street St Peters SA

3 2 5

Nestled in a prestigious corner allotment in popular St Peters and deceptively spacious from the front, this impeccable entertainer is a masterclass in refined living. Behind a beautifully manicured garden, this double-brick residence harmonizes flexible design, sophisticated upgrades, and a showroom style 4 car garage/entertainment room to create a home of undeniable distinction.

Stepping inside, an abundance of natural light elevate the interiors, while the adaptable layout ensures the perfect balance of work, rest, and play. Each room exudes warmth, with generous proportions and a seamless indoor-outdoor connection. The master suite boasts a walk-in robe and an elegant ensuite, while two additional bedrooms offer ample
